

# Phonics Class

Kindergarten and Grade 1

## WHERE

*Ms. Brittani on Zoom*

## BENEFITS OF PHONICS

This class focuses on matching sounds to spelling in order to help with reading and writing. Students will learn to decode words through using several areas of the brain. Repeated practice of these skills aid development and improvement in word recognition. When students recognize more words, they become better readers and writers. Phonics also helps students sound out words as they spell, helping with their writing skills as well.

- Practice Primer High Frequency Words
- Learn to build Fluency
- Read and practice Dolch and Fry list Sight Words
- Comprehension and Recognition
- Learn Vocabulary from engaging stories
- Decoding Sounds and Spelling
- Improve Spelling and Writing

## WHAT WE LEARN

- **Learn and Practice new words** – *students learn new sounds and spellings to create words in reading and writing*
- **Read level-appropriate short stories** – *students practice reading fluidity and automaticity*
- **Read naming words** – *students are able to recognize and understand words that name common nouns*
- **Matching spelling words** – *students notice similar spellings and can match vocabulary together by spelling*
- **Sentence comprehension** – *students use context clues to decipher sentence fragments*
